Dear PAPG Member,

I am writing to ask for your support of Pittsburgh Association of Petroleum Geologists (PAPG) during our annual fund raising drive. Our success and strength depends not only on a dedicated and growing membership but also on corporate alliance.

PAPG's purpose is exclusively charitable to promote the Science of Geology especially as it relates to petroleum and natural gas and to encourage improvements in the methods of exploring for and exploiting these substances; to foster the spirit of scientific research amongst its members; to disseminate facts relating to the geology and technology of petroleum and natural gas; to maintain a high standard of professional conduct on the part of its members; and to protect the public from the work of inadequately trained and unscrupulous persons posing as petroleum geologists.

PAPG will continue to offer interesting monthly dinner meetings on the hottest topics in our industry, a field trip to ground-truth our subsurface interpretations to the actual rocks we're producing from, annual workshops on the subjects that matter most to us, fun social events with Society of Petroleum Engineers (SPE) like the golf tournament and holiday party, and the honor of a visiting AAPG Distinguished Lecturer co-hosted with Pittsburgh Geological Society (PGS).

Annual sponsorship of PAPG includes your company's logo or business card prominently displayed on our website, in our monthly newsletters throughout the entire year, and in a PowerPoint slide presentation during each of our monthly meetings. This year PAPG is introducing the following levels of support to facilitate both individual and corporate sponsorships:

Kerogen Level – up to \$100

Oil Level – up to \$500

Condensate Level – up to \$1,000

Natural Gas Level - > \$1,000

Sponsoring couldn't be easier. A PayPal link on our website takes you to a secure site for your personal or corporate credit card info. Alternatively, you may complete the form on our website and return it with your check to my attention at the address listed.

Thank you in advance for your generous support of PAPG and for helping ensure our continued operation and improvement.

Sincerely,

Bob Trevail

PAPG President
