

CALL FOR ABSTRACTS!

**REQUESTED JOINTLY BY THE SOCIETIES OF
AEG, PGS AND ASCE**

Students are invited to submit abstracts of a Senior Research Project, Senior Design Project, Master's or PhD Thesis for presentation at the Eighth Annual Student Night joint meeting of the Association of Engineering & Environmental Geologists, the Pittsburgh Geological Society, and the Geotechnical Group of the Pittsburgh Section of the American Society of Civil Engineers.

Abstracts on the following topics are welcome: Geology, Engineering Geology, Geotechnical Engineering, Environmental Engineering, Hydrogeology, and Hydrology.

Each Society will select one abstract to be presented in a 15 minute oral presentation. Each of the 3 oral presentations will be given a \$100 award. Each Society will select one abstract to be presented as a poster presentation. Each of the 3 poster presentations will be given a \$50 award. All submitted abstracts not selected above are invited to be presented as a poster presentation. All students who present their research that night will receive a one year student membership in the Society of their choice, a special award certificate and dinner that evening. Please limit abstracts to no more than 350 words.
